Save Your Father & Become 'Hero Of The Kingdom' On PC

Story Driven Role Playing Adventure For The Casual Audience

San Francisco, August 16th 2013: Independent games developer 'Lonely Troops' is proud to announce the release and availability of their newest adventure and RPG, '**Hero Of The Kingdom**'. Available now for the PC, this non-linear story driven title features an intriguing story, in which you are cast into a rescue mission in search of your father. Until that point, you had been living the quiet life on your farm in your shire, comfortably enjoying the wonderful peace. Nothing lasts forever and one day malicious bandits raided your house, burnt it to the ground, and kidnapped your father! With your heritage and life on the line, you are challenged to a risky journey where darkness has fallen upon the country. You must overcome your fear, suit up, and prepare for the unexpected.

'**Hero Of The Kingdom**' is classic RPG gaming at its best; take to the road and explore a vast and beautiful country full of danger and surprises. Meet and interact with characters to gain knowledge and insight giving you valuable clues. Defend against and attack the enemy, and take it upon yourself to complete quests of varying difficulty. To survive, you must find ways to earn gold by mastering your skills and bartering. You can even collect herbs, hunt for animals, and go fishing. With hundreds of hidden items to uncover and 38 achievements to earn, do you have what it takes to save your father and conquer the kingdom?

'**Hero Of The Kingdom**' is a popular game project on Steam Greenlight:
